

**CARPENTER
FULL-TIME
GENERAL CONTRACTOR
COMMERCIAL CONSTRUCTION**

R. C. Stevens Construction Company is the Southeast's construction industry leader in industrial process specializing in food/beverage, manufacturing, healthcare, and government markets. Incorporating our core values of quality, innovation, and integrity in all we do, we provide design-build services, general contracting, and construction management to our clients and partners. R. C. Stevens is a Cianbro Company. Cianbro is one of the highest-ranked contractors in the United States and is one of the largest open-shop, 100% employee-owned construction companies.

We are seeking an experienced **Carpenter**, who will be performing construction-related activities, which may include operating a variety of hand and power tools. The ideal candidate will be dependable, trustworthy, results-driven, hard-working, and able to demonstrate extraordinary attention to safety, and the discipline to work independently, as well as work collaboratively with the R. C. Stevens Team Members and Customers.

JOB RESPONSIBILITIES

- Constructs, erects, installs, repairs, finishes walls, drywall, and building framework using hand and power tools, while conforming to local building codes.
- Interprets blueprints, sketches, or building plans in preparation of layout to determine dimensions and type of material required.
- Capable of demolition and installation of ceilings, painting, carpeting, tile, and other miscellaneous finishes independently or as part of a team.
- Smooths and finishes surfaces of poured concrete using a variety of hand and power tools including floats, trowels, and screeds.
- Ability to work non-standard hours on occasion.
- Embrace a "Whatever it Takes" attitude.
- Other duties, as may be required.

QUALIFICATIONS/REQUIREMENTS

- The ideal candidate will have 3+ years of experience in industrial or commercial facilities work.
- Must be able to read and interpret blueprints.
- Knowledge of the safe and appropriate use of hand tools and power tools for demolition and carpentry.
- Proficient alone in reading and understanding blueprints.
- Knowledgeable in the assembly/disassembly of concrete forms and the use of concrete pumps, installation of rebar, and placement of concrete is a plus.
- Prior Rigging knowledge is a plus.
- Experience with leveling tools such as laser levels and transits.
- Must have the appropriate tools of the trade.
- DFWP / Background Checks Required.
- A valid state driver's license.
- Travel as needed between different project sites.
