

**PROJECT EXECUTIVE – HEALTHCARE
FULL-TIME
GENERAL CONTRACTOR
COMMERCIAL CONSTRUCTION**

R. C. Stevens Construction Company is the Southeast’s construction industry leader in industrial process specializing in food/beverage, manufacturing, healthcare, and government markets. Incorporating our core values of quality, innovation, and integrity in all we do, we provide design-build services, general contracting, and construction management to our clients and partners. R. C. Stevens is a Cianbro Company. Cianbro is one of the highest-ranked contractors in the United States and is one of the largest open-shop, 100% employee-owned construction companies.

We are looking for a talented **Construction Healthcare Project Executive** that can lead our local healthcare market, demonstrating extraordinary client relationship management, superb project logistic management, the discipline to work independently, and work collaboratively to maintain the existing client base and secure new clients.

JOB RESPONSIBILITIES

- Procure new sales leads and opportunities; meet annual company goals.
- Manage operations on projects and lead project teams to achieve bottom-line results and growth.
- Attend and be active in industry-related organizations.
- Manage overall financial goals and profit maximization strategy for each project assignment in your market sector.
- Commitment to Safety.
- Assist in preparing competitive bids.
- Report/present market information to company leadership.
- Travel to job sites.

QUALIFICATIONS/REQUIREMENTS

- Bachelor’s degree required. Higher education in construction management, business management, other construction-based educational programs for commercial construction projects, or relevant discipline is preferred.
- Professional designations desirable (AHCA, LEED, ASHE, CPM)
- At least 15 years of construction experience as a Project Manager or currently in a PX or Director role.
- Advanced proficiency (5+ yrs.) in Procore Project Management (or similar) software a plus. Proficiency in Sage Estimating, Sage Paperless Construction, Textura Payment Management software, DocuSign, Bluebeam, MS Outlook, Word, and Excel software with efficiency and accuracy expected.
- Position requires full-time hours Monday-Friday with additional hours required as needed.
- DFWP / Background Checks required.
- A valid state driver’s license and driving history that meets company standards is required.
- Capable of driving short and long distances to visit project sites, capable of walking project sites including demands of ladders, uneven terrain, and challenging weather conditions, may travel to out-of-town project sites.
