

**PROJECT EXECUTIVE – HEALTHCARE
FULL-TIME
GENERAL CONTRACTOR
COMMERCIAL CONSTRUCTION**

R. C. Stevens Construction Company is the Southeast’s construction industry leader with specialization in healthcare, food/beverage, manufacturing, and growing government markets. Incorporating our core values of quality, innovation, and integrity in all we do, we provide design-build services, general contracting and construction management to our clients and partners. R. C. Stevens is a Cianbro Company. Cianbro is one of the highest-ranked contractors in the United States and is one of the largest open-shop, 100% employee-owned construction companies.

We are seeking a talented **Construction Healthcare Project Executive** to lead our local healthcare market. The ideal candidate will excel in client relationship management, project logistics, and demonstrate the discipline to work both independently and collaboratively. This role requires someone who can maintain and strengthen our existing client base while also securing new clients.

JOB RESPONSIBILITIES

- Commitment to Safety
- Procure new sales leads and opportunities; meet annual company goals
- Manage operations on projects and lead project teams to achieve bottom-line results and growth
- Attend and be active in industry-related organizations
- Manage overall financial goals and profit maximization strategy for each project assignment in your market sector
- Assist in preparing competitive bids
- Report/present market information to company leadership
- Travel to job sites

QUALIFICATIONS/REQUIREMENTS

- Bachelor’s degree required. Higher education in construction management, business management, other construction-based educational programs for commercial construction projects, or relevant discipline is preferred
- Professional designations desirable (AHCA, LEED, ASHE, CPM)
- At least 15 years of construction experience as a Project Manager or currently in a PX or Director role
- Advanced proficiency (5+ yrs.) in Procore Project Management (or similar) software a plus. Proficiency in Sage Estimating, Sage Paperless Construction, Textura Payment Management software, DocuSign, Bluebeam, MS Outlook, Word, and Excel software with efficiency and accuracy expected
- Position requires full-time hours Monday-Friday with additional hours required as needed.
- The role requires the ability to travel, including taking commercial flights, for development opportunities, and visits to construction jobsites

QUALIFICATIONS/REQUIREMENTS (Continued)

- Drug-Free Workplace Program / Background Checks required
- A valid state driver's license and driving history that meets company standards is required
